## \$100,000 Addition To Grade Building Planned By Board

### To Make Application For State Funds For Planning

Ganster and Hennighausen, Waukegan firm of architects and engineers, have been retained to complete plans for a new addition to the Antioch Grade school building. The plans call for the expenditure of about \$100,000 and will provide for four new classrooms, a cafeteria, kitchen, showers and an auditorium which may be used as a gymnasium.

Application has been made to the state planning board for funds with which to pay one-half of the cost of the planning and engineering work.

Present plans will place the new addition directly behind the present building, the plans will, however, differ from those originally designed when the building was built.

#### Meeting Thursday

An open meeting of the Grade school board will be held tonight (Thursday). The plans for the new addition will be on display and plans for financing the improvement will be discussed. Richard Whitacre, principal of the school, stated that preliminary investigation of the interest rates which will be asked on a bond issue will be about 1 1/2 per cent for the first five years and 2 per cent thereafter.

Whitacre stressed the need of additional capacity of the school, citing the tremendous growth in enrollment at the school during the past few years and anticipated growth of the community in the future. He also stated that a compulsory program of physical education is now provided for, by state school laws and that at present no facilities are available.

Indications are that total bonding power of the school district will be about \$200,000 when the new 100% assessment laws go into effect. The bond issue which was floated to build the present building has been entirely paid off and the school is free of debt.

## V. F. W. Dance

### Well Attended

The "Cabaret Dance" sponsored by Sequoit Post Veterans of Foreign Wars at Pasadena Gardens last Saturday evening was enjoyed by a capacity crowd. An estimated 500 persons joined in the fun at the affair and from a financial standpoint, the dance was a tremendous success, with the receipts from all sources running well over \$1000.

Dr. L. J. Zimmerman, commander of the post, expressed himself as being highly pleased by the excellent support given the dance by local people. He also said that proceeds from the dance are to be placed in the building fund of the organization, and that with the addition of this money to the fund, some action would be taken in order to procure a suitable clubhouse for the post in the near future.

Tom Quilty, chairman of the committee, was assisted by Willard Schneider, Louis Koppen, Ray Quendelf, Jacques Koppen, Robert Strang, Howard Dibble and Oliver Hunt.

Burt Mahoney was in charge of entertaining at the dance and of publicity and printing.

### Village Officials Attend Bus Line Hearing Feb. 15

Village President, George B. Bartlett, Roy L. Murrie, village clerk, James Horan, Ira Simons and Ted Smith were among the six bus loads of persons interested in the granting of a franchise to Northern Ltd., who were present in Chicago last Friday, Feb. 15.

The company in presenting its case for the necessity of the granting of a franchise covering the carrying of persons between Waukegan, Wis., and Chicago, Ill., via Antioch, provided transportation and all expenses to the more than 200 witnesses who attended.

The decision as to whether or not the bus line will be granted the certificate of necessity and a franchise to operate has not been made public as yet.

The basketball boys of the 5-6-7-8 grades of the Antioch Grade school will go to Zion on Friday afternoon at 3:30 o'clock. The boys will go by the American coach bus and will be accompanied by the principal, Mr. Richard Whitacre.

Miss Pearl Lux of this city spent the weekend in Chicago with her sister, Mrs. Ada L. Overton.

## Legion To Hold Costume Dance Saturday, Mar. 2

Cash prizes amounting to \$25 will be awarded to the best costumed couples at a "Costume Dancing Party" to be held in Antioch Legion Post hall, on Saturday, March 2, according to advertisements displayed by members of the post this week.

Gay Nineties, cowboy, hobo or any other costumes will qualify for prizes if judged the best, and dancers need not be masked. Music for the dancing will be furnished by Sexton's orchestra, popular Waukegan entertainers. Committees for the dance are composed wholly of World War II veterans who are members of the post.

## News of the Boys in Service

Capt. Wilfred Jennrich, U. S. Army is on Terminal Leave until March 23rd. He was overseas 14 months, serving in the European Theatre of Operations. He has had five years of service and has been awarded one battle star and overseas campaign ribbon.

After serving in the U. S. Army for three years, Clifford Crittenden received his discharge papers on February 14th. He served overseas for 16 months in the European Theatre and fought in various Central European battles. Crittenden has been awarded two battle stars and a unit citation.

R. Stastny, R. M. 3/c, has been transferred to Klipsen Beach, D/F Station, Ocean Park, Washington.

Today's peacetime Army must be made up of highly trained specialists to operate and maintain the complicated modern machinery of the new army. He must be as good as a civilian in a factory, laboratory, or on an assembly line, working with expensive, delicate instruments and machinery. It's a job of which he can be proud, and because he wears a uniform, one of which the American people can be proud also. They know the American doughboy was good during the war because of the tremendous job he had done. They must also be as good and better in the peacetime Army in order to keep pace with constant improvements in mechanized warfare.

There is plenty of competition in the Army, but he can make the grade there as well as in civilian life if he's got the stuff. It's a job that demands his best and one that commands the respect of the American people.

The local recruiting staff is on duty to give you all the help and assistance you need. The office is located at 326 N. Genesee St., Room 28, New Post Office Building, Waukegan. The office is opened week days from 8:30 A. M. to 5:30 P. M. except Saturday when the offices closes at 12:00 noon.

On February 15th Pfc. Lars Steffenburg, son of Mr. Nels G. Steffenburg, Antioch and husband of Virginia Tidmarsh Steffenburg was discharged from the army at the Fort Douglas Separation Center.

Pfc. Steffenburg, who served 31 months in the army as Radio Mechanic with the 102nd AACs, is authorized to wear the American Theater ribbon, Good Conduct Medal and Victory ribbon.

Prior to entering the army, June 21, 1943 Steffenburg was employed as an Aircraft Insp. at Chicago, Ill.

### Auxiliary Birthday Party Scheduled For Feb. 22nd

The annual birthday party of the Antioch Unit of the American Legion Auxiliary will be held Friday, February 22nd, in the Legion Hall on Ida Avenue at 7 p. m. There will be a pot luck supper with cards and games following.

The Antioch Unit was organized in December 1927, with a membership of only twenty-four. Since then it has been built up to a membership of 115. Mrs. Maud Johnson is the president.

### Wm. Horton, Sr., To Be Sales Mgr. At Bill's Repair Shop

William Horton, Sr., former manager of the O'Neil farm, Loon Lake road, will be associated with his son, William Horton, Jr., after March 1, according to an announcement made this week.

Horton will attend to sales of steel electric welding equipment and other equipment handled by the company, and will spend a part of his time in calling on farmers and other users of steel and the repair services of the company.

## Dr. D. N. Deering Heads Hot Stove Sportsmen's Club

### New Conservation Group To Sponsor Fox Hunt

Dr. David N. Deering is the newly elected president of the Antioch "Hot Stove Hunting and Fishing Club." Russell Barthel will serve as secretary and treasurer for the new club. The new officers were installed at a dinner meeting held at Hans and Mable's Restaurant, Loon Lake, last Thursday evening, February 14.

The club, which is an outgrowth of the former Antioch Hot Stove League, owes its birth to the group of nimrods who made the Antioch Shell station stove the center of a discussion forum where they could swap prevarications regarding the size of the "ones that got away," and other kindred subjects. The League, which was started more in a spirit of fun than anything else, has been in operation for about two years and has been purely a social club.

The club, which will fill a very real need in the community, plans to assist conservation officers of the state and nation in every way possible. To this end, a committee has already made a survey of conditions regarding the necessity of feeding for upland game, and plans are being made to supply feed for pheasants and other game birds.

Plans are being considered to sponsor a fish contest for the youngsters of Antioch and vicinity and members are investigating the possibility of placing prize fish in Antioch lake.

Fox Hunt Planned  
Definite plans for a fox hunt are being set up and the hunt will take place early in March. Frank Kennedy, who is one of the original organizers of the club, states that fox hunting of the round-up type, where a number of hunters surround a given part of territory and close in on the foxes, involves a certain amount of digging and that the frost must be out of the ground before the hunt can take place. He also reported that a similar hunt near Wilmet, Wis., netted a bag of twenty of the pests in one day.

The next meeting of the club will be held early in March and three directors for the club will be elected at that time. Sportsmen of the region who wish to apply for membership in the club may contact Russell Barthel.

### Federal Planning Aid Checks Received By Village This Week

Checks totalling \$1736.50 were received Monday by Village Clerk Roy L. Murrie, from the Federal Planning Aid administration, Washington, D. C. They represent one half of the funds recently granted to the village for use in planning a new municipal building and planning and engineering work on improvements to the village sewage disposal plant.

A contract with Henry B. Bleck and Leonard Latz, architects and engineers, for preparation of plans for the new building has been signed. Bleck and Miller were awarded the contract for planning the sewage disposal plant.

Murrie said that the balance of the money would be received as soon as the planning for the improvements were complete.

### Expect Large Crowd At Sinclair Farm Meeting Feb. 26th

Preparations for handling a capacity audience are being made by Joe Horton, Sinclair Refining Co., agent for this territory, for the showing of "Heaven With A Fence Around It," next Tuesday at the Antioch Township high school auditorium, 8 p. m.

The picture, which will be a major attraction at the farm meeting, features the trials of a serviceman with a vision of a farm of his own, and the movie is designed to help relieve situations relative to getting returned veterans established.

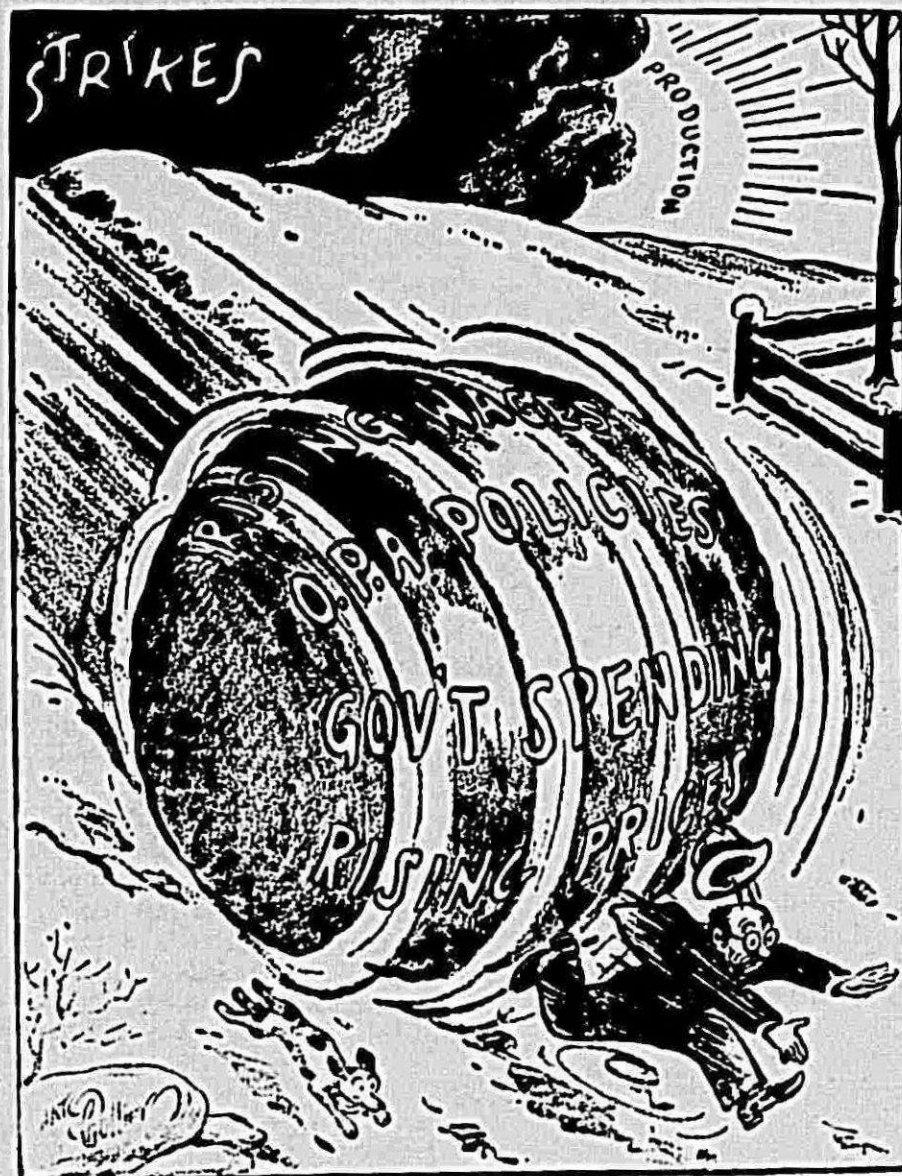

Other attractions at the meeting will include prizes and other entertainment.

### Mrs. Agnes Curran Passes This Week

Word was received here this week of the death of Mrs. Agnes Curran, a former resident of Antioch for many years and the mother of Mrs. Albert Herman. She has made her home of late years in Escanaba, Michigan.

Funeral services were held in St. Patrick's church in Escanaba, with five grandsons acting as pallbearers. Mr. and Mrs. Albert Herman and daughter, Helen, attended the funeral services.

## LET'S HOPE FOR A THAW

## Red Cross Drive Scheduled To Be Held In March

### Herman Holbek Appointed Chairman For Antioch

Herman Holbek will be local chairman for the coming Red Cross drive funds, according to an announcement made this week by C. M. Burton of Grayslake, general chairman for the drive in Lake County. Burton has appointed William M. Weber of Lake Villa to head the drive there.

Although the war has ended, the work of the Red Cross has not lessened to any appreciable extent according to the release, and the need for a large amount of money to carry on the work of the organization is expected to continue for sometime. Emphasis will be shifted from foreign countries to work here at home and the war-time pace of the organization will be continued.

The quota setup for the county is \$75,000, more than \$22,000 less than last year's total of \$102,000. Mrs. William Marks of Lake Villa will be in charge of campaign supplies for the drive.

### Vandals Cause \$40 Damage At Grade School

Three youths, thought to be from Wisconsin, are believed to be responsible for the breaking of 7 large panes of glass and 4 smaller ones at the Antioch Grade school. The windows were broken by throwing stones.

Sheriff's deputies who investigated the case here Monday thought that the vandalism might have been perpetrated by the same boys who were picked up some time ago on a similar charge. Three boys of high school age, one a six-footer, were seen loitering around the school building Sunday night. Charles Anderson, janitor at the school, reported that the damage was done after 9:15, when he last attended to fires at the school.

Cost of replacing the window panes will be about \$40, according to Richard Whitacre, principal of the school.

### Legion Cagers Defeated In Two Games Wednesday

The Antioch American Legion basketball team suffered two defeats Wednesday night in a double header with Libertyville and Grayslake as opponents. The games, which were played before a large crowd, ended with Libertyville on the long end of a 37 to 29 score, and the second fracas wound up with Grayslake on top, 41 to 15.

Next week's games will include a match with McHenry on Sunday on the McHenry floor and a game with Lake Forest as opponents on Wednesday, February 27.

### Home Bureau To Meet On February 27th

The Antioch Unit of the Home Bureau will meet on Wednesday, February 27th, at 1:30 p. m., at the home of Mrs. C. L. Heath, 909 Main Street. Mrs. George Petersen will be co-hostess.

## Public Service Electric Rates To Be Cut 8.7%

### Illinois Commerce Commission Sets New Rate at 5 1/2 Per K. W. H.

New, low electric rates announced yesterday by the Illinois commerce commission will mean that residential, rural, and commercial customers of the Public Service Company of Northern Illinois will save \$1,838,000 annually on their electric bills.

Based on 1945 use, the utility's 325,000 home and farm users will save an estimated \$1,404,000 a year, while 32,000 commercial establishments will receive a \$434,000 annual windfall.

Britton I. Budd, president of the company, said that new rates, which will go into effect with meter readings beginning March 1, will result in an average savings of \$4.32 a year for residential and rural customers. The overall percentage cut for this group of users will be about 8.7 per cent, while the commercial users will save an average of about 4.2 per cent.

The new home and farm rates also have been simplified, Budd said, with elimination of the old system of computing charges on the basis of the number of rooms in a dwelling. The new commercial rate schedules likewise have been streamlined and simplified.

### Fred J. Behrens Dies February 16

Fred J. Behrens, 70, who lived in Warren township for over 60 years, died Saturday, Feb. 16, at his home at Wedges Corners, Warren township. Born at Grass Lake, Antioch township, Feb. 15, 1876, he was the son of the late Frederick and Carrie Behrens.

Behrens was a member of the Gurnee Modern Woodman Lodge and was a farmer by trade.

His wife, Elsie, preceded him in death on July 29, 1940. He is survived by two sons, Fred and Henry; two daughters, Mrs. Albert Denikas, and Miss Lila Behrens, and two grandchildren, all of Warren township; one brother, Herman, of Manteca, Calif.; two sisters, Mrs. John Cashmore, Waukegan, and Mrs. Jack Cashmore, of Round Lake.

Behrens was buried on Tuesday at the Grass Lake cemetery. The Rev. A. C. Bartz of Waukegan was the minister in charge.

### Dr. Amos P. Bratrude Resumes Practice Here

Announcement was made this week by Dr. Amos Bratrude that his new offices in the First National Bank building were to be opened this week.

Dr. Bratrude has served with the U. S. Army Medical Corps during the past thirty-nine months, having been in England, France and Belgium for a part of that time. Prior to his entry into the army, Dr. Bratrude had practiced medicine here for about eight years.

He was discharged on February 2, and since that time has been in Antioch, where his family remained at their home on Lake street while he was in service.

## Church Seeks Naval Academy In Lake County

### Introduces Bill To Establish "2nd Annapolis In County"

Congressman Ralph E. Church has introduced a bill which will if passed provide for the establishment of a United States Naval Academy somewhere in the county, preferably in the vicinity of Great Lakes Naval training station.

In presenting the bill this Tuesday, Church said, in part:

"The United States Naval Academy at Annapolis, even though greatly expanded during the war, cannot possibly furnish the necessary officer personnel for the proposed post-war Navy," said Congressman Church. "An additional Naval Academy should be established and the vicinity of Great Lakes is the logical location."

Congressman Church pointed out that "the present plans for the post-war Navy call for 500,000 enlisted men and 58,000 officers (not including the Marine Corps), and expanded facilities at Annapolis have a capacity of only 3,423. During the period July 1, 1942, to June 30, 1945, the Navy trained a total of 2,273,812 recruits, of which 806,457 were trained at Great Lakes, or 35.46 per cent. It is axiomatic," he said, "that a strong Navy requires the constant inflow of young men, highly trained in the use of complex equipment and in leadership."

In advancing "the vicinity of Great Lakes, Illinois" as the logical location for another Naval Academy Congressman Church said that "the Middle West has always furnished a larger percentage of Navy personnel than any other section of the country, as well as the best material. But aside from such considerations, the last war has clearly demonstrated the importance of locating important defense plants and military installations inland. The facilities for the training of naval officers are certainly the type of defense installation which should be located in the interior of the country, where geography itself provides protection from enemy bombers."

### PMA Seeks Higher Prices For Milk

Dairymen must have at least another 40c per hundred pounds for milk if production is to come anywhere near 1946 goals set by the government, Arthur H. Lauterbach, manager of Pure Milk Association, Chicago, told a meeting of the Illinois Holstein Breeders Assn., at St. Charles, Ill., this week.

Lauterbach, just returned from a conference in Washington, reported that Pure Milk Association will join with other milk marketing co-operatives and with general farm organizations to get more nearly adequate milk prices for producers—first, through raising of OPA ceilings, secondly, by revision of the parity formula for dairy products. The 40c per cwt. needed to maintain milk production is over and above present prices plus government subsidies, he said.

As evidence of the immediate effect upon farmers of the government's national price-wage policy just announced, Lauterbach said that the first matter of business upon his return from Washington was a union request for a meeting to discuss wage increases for dairy employees.

An increase of 40c per hundred pounds in the producer price for milk will almost certainly mean an increase of one or more cents per quart in consumer prices and equivalent increases for other dairy products.

### Antioch Home Bureau Elects Officers Wed.

Mrs. Homer White was elected to the office of president at a meeting of the Antioch Unit, Home Bureau held Wednesday night at the home of Mr. and Mrs. Fred Oschmann, Lake Catherine. Mrs. Morris Bown was re-elected to serve as secretary of the unit for the coming year as was Mrs. L. Thayer to the office of treasurer. Seventeen members and seven guests were present to hear Mrs. Helen Volk, Lake County home advisor, speak on the subject "Post-War Home Planning."

Husbands of the members were entertained by Mr. Oschmann while the meeting of the unit took place.

### I. O. O. F. TO SPONSOR CARD PARTY

Announcement was made today that a card party will be held in the I. O. O. F. hall, Antioch, on Friday evening, March 1. Tables will be set up for pinochle, bridge, 500 and bunco.

## Sauce for the Goose, Sauce for the Gander

San Francisco is again feeling the heavy hand of Federal authority in local affairs. OPA has blocked action by the city to raise fares on the municipal streetcar line.

The mayor of San Francisco says OPA's objections that fare increases might be inflationary, are absurd when additional revenue is "imperatively and immediately needed for improvements demanded by the citizens."

It is hard to see why a municipal business enterprise collecting its income from the public, should be exempted from the rulings of OPA which, on the ground of controlling inflation, has its finger in the business of every man in the United States.

The plea of the mayor that additional revenue is "imperatively and immediately needed," could be advanced by every manufacturer and business in the United States which is under OPA rulings. They have all had to face wage increases while the Federal government has promoted, while demanding that prices be held at some fictitious level.

It is no worse for the San Francisco municipal streetcar line to struggle along under increased cost of operation, at its old rates, than it is for any other business. Federal regulation should apply to private and public business alike.

Raising the rates of a municipally-owned enterprise is just as inflationary as raising the rates charged by a private enterprise. If the rates of private industry are to be controlled by OPA while the Federal government incites increased cost of operation, certainly the rates of competing municipal business should be controlled in like measure.

As long as the people sanction Federal domination of the affairs of every local community, let the administration of the law be applied equally to all.

## Carbon 13

A major step in the hunt for the cause of cancer

has been taken in the development of "Carbon 13," a rare material found to have great value in biochemical research work.

The Sun Oil company has announced plans for construction of two plants to produce Carbon 13 in comparatively substantial quantities, and states, "In biochemical research Carbon 13 is used as a tracer in probing the secrets of the fundamental processes that occur in all living things, as well as metabolic disease processes, of which cancer, diabetes, hardening of the arteries, and so-called 'heart trouble' are examples. Indistinguishable chemically from ordinary carbon, Carbon 13 is absorbed in living tissue and undergoes the same metabolic process as does ordinary carbon. But where ordinary carbon cannot be traced as it passes through these intricate chemical reactions which are the process of life itself, Carbon 13 can be detected by the use of an electrical instrument . . . and identified with specific bodily functions."

Up to now, the total world production of Carbon 13 has been at the rate of less than one-half ounce per year. The new plants will be instrumental in increasing world supplies five hundred to a thousand times.

While the layman is hopelessly bewildered by the mysteries of science, he can grasp the basic nature of such discoveries as Carbon 13. He knows that the tireless probing and investigation in laboratories all over the nation by thousands of unknown scientists, may one day save his life.

## Coal Makes New Friends

The Pacific Northwest is heavily timbered. Timber has been the logical source of fuel for the homes of that region. But like everything else, the cost of fire wood has gone higher and higher. Moreover, as with everything else, there is a scarcity. "Making wood" is not an easy job. It is hard to get people to do the work. However, the Northwest's fire wood situation has an interesting aspect. Farmers and city dwellers are discovering that coal is now an active competitor of wood. Thus those in the wood fuel business will soon be forced to do everything possible to hold costs in line, a practice that has long been a habit with coal producers because they must be able to compete with other fuels or go out of business. Wood is now in that position.

This is another example of how competition, the great stabilizer, operates. In the long run, competition, working in a free market under natural law of supply and demand, is the only thing that can bring a return of high quality and fair prices in all the things that people must buy to live. Nothing else can do it.

morning.

Besides his sister, Mrs. Ames of Evanston, he is survived by a son, John E. of Spring Lake, New Jersey, one grandson, two aunts, Mrs. Laura Corris and Mrs. Nellie Murrell of Russell. His wife Sarah, preceded him in death Sept. 4, 1945. Rev. Messersmith was in charge of services at the grave.

Mr. and Mrs. William Upton and daughter Carol Ruth spent Sunday with the F. C. Semrow family in Milwaukee.

Mr. and Mrs. Eric Anderson and daughter Rebecca and Mrs. Anna Bauman returned Saturday from a six weeks vacation in Arizona.

Millburn Unit of Home Bureau met at the home of Mrs. E. H. Edwards Friday afternoon with 12 members present. Mrs. Volk gave the major lesson "Family Planning in the Post-War Period." Reservations were made for the luncheon at the annual meeting to be held in the Methodist church in Waukegan, March 15. Cook-les will be furnished for the Sheridan Road U. S. O. this weekend. The officers elected for 1946 were Mrs. Avery Vose, President; Mrs. Frank Edwards, vice-president; and Mrs. Carl Anderson, secretary and treasurer.

The Couple's Club will meet Wednesday evening at the Ray Hussey home.

Family Night at the church Friday evening, Feb. 22.

Sunday evening, Feb. 24, the young people will present the sound movie "King of Kings," in the church recreation room. This picture is highly recommended, and all are urged to see it. An offering will be taken.

The members of the choir and their wives and husbands were honored with a three course dinner in the church dining room Tuesday evening, Feb. 12, given by Rev. and Mrs. Messersmith for all who had helped with the choir music the past year.

The Mylo Club met at the home of Mrs. Don Truax Wednesday with 19 members and two guests, Lura Jean Minto and Beryl Bonner attending. This was a Valentine party and the names of their secret pals were disclosed with small gifts for each. Names were drawn for secret friends for the coming year. Final plans were

made for the Father, Son banquet Saturday evening.

Miss Georgia Newyear of Russell, and Ralph Berkey of Zion, were married in a candlelight ceremony in Millburn church Thursday evening at 7:30 by Rev. L. H. Messersmith. A reception was held following the ceremony in the church dining room, for 130 guests.

Miss Thelma Jean Pahl of Oak Park and Mr. Rudolph Slivka of Racine were married at a candlelight ceremony in Millburn church Friday evening at 8:45 by Rev. L. Messersmith with a reception in the church dining room following the ceremony.

One hundred and two Fathers and Sons enjoyed the three course banquet served by the Mylo Club in the church dining room Saturday evening at 7:30. Frank DeYoung acted as toastmaster. D. H. Minto gave the address of welcome and the response was given by Orville Hairrell, Jr.

Rev. Messersmith introduced W. S. Miller, director of Irving Park Y. M. C. A., who in turn introduced his friend Milton Levy, a magician, who pleased his audience very much. The Mylo club and their sponsor, Mrs. L.

H. Messersmith are to be congratulated on the success of the affair.

The Parent-Teacher association is sponsoring a card party at the school house Saturday evening at 8 o'clock. Feb. 23, 500, pinochle and bunco will be played and refreshments will be served.

Mr. and Mrs. Everett Hucker of Grayslake spent Sunday afternoon at the Ed Hoffman home.

Mrs. Messersmith and her Sunday School class of boys and girls of High school age enjoyed a party at the home of Johanna Cobb Monday evening.

Mrs. Laura Corris, Mr. and Mrs. Will Corris of Russell, were dinner guests at the W. M. Bonner home Sunday.

Burial services were held in Millburn cemetery Tuesday afternoon at three o'clock for Lyle E. Gorham of Davenport, Iowa, who passed away suddenly of a heart attack while ordering a meal in a Chicago restaurant, while here on a visit to his sister and her husband, Mr. and Mrs. Hibbard Ames of Evanston, who are both seriously ill. Funeral services were held in Davenport, Ia., Tuesday

## Sales Tip

By ETHELYN PARKINSON

McClure Syndicate.  
WNU Feature.

MR. MURRAY CORNWELL, star salesman for National Machines, Inc., was jubilant over the tip. Last winter had been extremely tough in Lake City. The old snow-fighting equipment had broken down, completely worn out. New plows would be needed. Mr. Cornwell got there before the snows were forgotten.

At the city hall he was told by the clerk, "The council meets next week, but Mayor Howe has the final say on purchases. Better see him."

"Mayor Howe?" Cornwell liked to know a bit about a prospective customer before an interview. If he could find a common interest he was doubly sure of a sale. "Youngish looking fellow for his age, isn't he?"

"Well, yes."

"A go-getter?"

"Definitely." The clerk was enthusiastic. "How made such a success of his paper mill and did so much for the town that he was practically shanghaied into the mayor's office."

"Doesn't need the money, though, does he?" Cornwell chuckled.

"No. He's sitting pretty. Still," the clerk leaned forward confidentially, "they're just as common as you and I—both Jerome Howe and his missus."

"Jerome? Jerome Howe?" Mr. Cornwell paled a little. Tactfully he asked, "From Arizona?"

"No. Jerome came here from Vermont twenty years ago."

"Oh." Mr. Cornwell's smile was sickly. "Well, thanks." He turned away.

In his hotel room he sat down to meditate bitterly. To think that the man who had the power to give or withhold this whopping order was the selfsame Jerome Howe from whom Murray Cornwell had, in his rash youth, won away the beautiful—but mercenary—Lorena Busby! I'll get reservations, and beat it out of town, he thought. But he hated to give up. After all, he knew a bit about psychology.

The next morning Mr. Cornwell swung breezily into the mayor's office. "Well, Jerome Howe! Who'd have thought it? Boy, I haven't seen you for over twenty years! Not since I did you the big favor of taking Miss Lorena Busby off your hands."

"Have a chair, Cornwell. It's been a long time."

"Yes. You sure hated me and I guess I thought I was smart. But not for long, Jerome."

"That so?" the mayor asked, narrow-eyed. "What happened?"

"Lorena was the most mercenary creature God ever made," Mr. Cornwell declared fervently. "After she returned your diamond I bought her the largest one I could afford. But did it suit Lorena? She said she'd be ashamed to be seen in it. I had to hock nearly everything I owned to get her a sparkler she'd condescend to wear."

"Gosh!" Howe said. "You must have been crazy about her. I'm beginning to see how lucky I am."

"That isn't all," Mr. Cornwell assured the mayor. "My clothes didn't suit Lorena. My car didn't either. I was doing pretty well, but nothing about me was good enough. For instance, I started to build us a house. Lorena wanted it ready and furnished before the wedding. By the time the plans pleased her I had a mansion on my hands and I was in debt up to my ears. Then I began to furnish. Jerome, I almost went mad."

"Everyone told me I was a fool. I went to New York and bought a living room rug that I thought was fit for a queen. But it wasn't good enough for Lorena. She threw my ring on the rug and slammed out the door. I sold my stuff and left the state. I never saw Lorena again and I hope I never shall. You see, Jerome, what you have to be thankful for."

"I certainly, certainly do," the mayor said thoughtfully.

"Well, that's water under the bridge," Mr. Cornwell laughed and opened his catalogue. "Here's our 'Snow King.' Best plow made. How many can Lake City use?"

"Er—just a minute." Mayor Howe answered his phone. "Excuse me, Cornwell. Be right back."

Mr. Cornwell hummed to himself as he got his order blanks ready. Mayor Howe's secretary came in and rearranged things on the desk. A photograph somehow was turned so that it faced Mr. Cornwell. His eyes popped. He suddenly felt sick. It was Lorena, still young and lovely, after twenty years! In a trembling voice he asked, "Who is the lady?"

The secretary smiled. "Oh, that's Mrs. Howe. Isn't she charming?"

"V-very!" Mr. Cornwell agreed. With shaking hands, he gathered up his papers and stuffed them into his brief case as fast as he could.

He was at the elevator when he heard someone call, "Hey, Cornwell, you went off without your order!"

"Well, I guess I talked too much, Mayor."

"Not at all," the mayor laughed. "You just told me how lucky I am. You see, I've always wondered whether Lorena married me on the rebound. I know now that it was for love. I was completely down and out when we were married. Our first home was one room in a cheap boarding house."

## LAKE VILLA

Next Sunday is Laymen's Sunday at the Community church and plans are being made for several different laymen to take over the morning worship service at 11 a. m.

The February Family Night pot luck supper at the church will be held next Friday evening and the Halcyon group will provide entertainment for the evening, following the supper. Come and bring your family, also some dish to add to the supper and enjoy the fellowship of your neighbors.

Miss Sue Weber, a sophomore at Kemper Hall, Kenosha, enjoyed a visit at her home from Friday evening until Sunday evening.

Dennis, second son of Mr. and Mrs. Leonard Armstrong, underwent an operation for removal of tonsils and adenoids at the Kenosha hospital the first of the week.

Fred Bartlett, who has been quite ill with pneumonia, returned from the hospital last Friday.

It is interesting to report that 88 persons of Lake Villa township patronized the Lake County Community Canning Center at North Chicago during the past season and canned 2882 cans of fruits and vegetables with a retail value of \$720.50. Lake Villa township rated sixth high in the amount of canning at the center.

Dr. Calvin P. Midgeley's clinic, recently opened on Route 21 north of the village, is completely equipped with modern X-rays and electrical appliances for thorough treatment and diagnosis.

Carl J. Miller, Jr., who had varied experiences in the armed services overseas for more than two years, has received his discharge and is at his home here.

Walter Schneider, Jr., and Kenneth Barnstable, who entered the armed services in December and are now stationed in Virginia, have been enjoying a ten day furlough at their homes here.

Mrs. Eddie Krook of Waukegan is spending the week with her parents, Mr. and Mrs. Albert Kapple.

Mr. and Mrs. Ed Hogle of Waukegan visited their mother, Mrs. Daube, on Sunday.

Mr. and Mrs. Fred Maier are enjoying a short vacation in Florida.

William Walker and daughter, June, left on Saturday, Feb. 9, for Los Angeles and San Francisco, where they visited relatives before going on to Portland, Ore., to visit Mr. Walker's brother, George, who has been a hospital patient for some time, but is improving. George, Walker, Jr., of Portland expects to be released from the armed services very soon.

A group of Lake Villa and Antioch girls from Antioch Township High school enjoyed a progressive dinner last Saturday evening, beginning at Antioch at the home of Olga Himens, where the first course was served, then to the home of Marlene Nader,

where the main course was served and finishing at the Ray Hussey home at Sand Lake, where dessert was served and the girls spent the evening, playing games and giving a few skits as entertainment.

Mrs. Carrie Hamlin entertained the members of the Sewing club at a luncheon at her home Thursday afternoon last week.

Mrs. Cecile Blumenschein entertained a few ladies at a quilting party at her home on Tuesday of this week.

The Lake Villa Community Men's club held a meeting at the school gym last week Tuesday evening and enjoyed a chicken dinner served by the W. S. C. S. Pres. C. O. Hunt presided at the meeting and a program of sound pictures was enjoyed.

Mr. and Mrs. C. O. Hunt, who have lived at Allendale Farm for several years, have moved to Libertyville, where Mr. Hunt will supervise the dairy and Lake County farm land there.

HALCYON GROUP HAS PLEASANT MEETING

Thursday, Feb. 14, the Halcyon group met at the home of Mrs. Deibert Sherwood, Grand avenue, Lake Villa. An evening of entertainment followed the regular business meeting.

Mrs. Helen Cremin reviewed the book, "River Road," by Frances Parkinson Keyes, in such an interesting way that the group was indeed very happy and proud to have her as their guest.

Among the smaller guests were little Karlene Ekdahl, who played a piano solo, "March of the Wee Folk." Arlyn Schneider chose "The Guitar" as her piano solo.

Miss Verna Bennecke, Miss Hyla Gawthrop and Mrs. Harry Weber were hostesses to the thirty women present.

## HICKORY

Mr. and Mrs. William Jones will celebrate their twenty-fifth wedding anniversary Feb. 26 with "Open House" to their many friends at their home on the George Morrie Farm, southeast of Russell, on Sunday, Feb. 24th from 3 to 5 in afternoon and from 7 to 10 in evening.

Sunday afternoon callers at the Fred Leable home were Mr. and Mrs. Frank Frazier and Mr. and Mrs. Pete Ischum and son of Chicago; and Mr. and Mrs. George McNeil and son Terry of Kenosha.

Harvey Mann of Waukegan visited Austin Savage on Monday of this week.

Mr. and Mrs. James Dorsey and daughters of Lake Villa, were supper guests at the Chris Paulsen home Sunday evening.

Mr. and Mrs. James Hammill (Ruth Pullen) of Waukegan, and Mr. and Mrs. David Pullen of Zion visited the Austin Savage family on Sunday afternoon, Sunday, Feb. 17, was Mr. and Mrs. Austin Savage's forty-ninth wedding anniversary.

Mr. and Mrs. Paul Newhart of Harvey, Ill., visited Mr. and Mrs. William Horton, Sr., on Saturday.

Mr. and Mrs. William Horton, Sr.,

have a new granddaughter. Mr. and Mrs. Robert Horton of Salem have a new daughter born on Feb. 12 at St. Catherine's hospital in Kenosha.

## Shoulder Cuffs

Do not throw away cuffs from men's discarded shirts. They are very useful in making shoulder pads for washable blouses and dresses. They retain stiffness better than other material and do not wad as those stuffed with cotton. One cuff will make two narrow pads which are suited to the short sleeves we are now using. Lay three small darts in the side of the cuff and sew to the top of the armhole seam so that the pad will extend into the sleeve or follow a pattern for shaping the pad and finishing.

## Better Tires From Rayon

Use of rayon for cords in tire-making promises a tire that will give increased mileage and operate with so much less internal friction than when cotton is used that it will reduce gasoline consumption, P. W. Litchfield, chairman of the Good-year Tire and Rubber company, announced. It will be some time before such tires are available for passenger cars, he states, as rayon manufacturers are unable to produce enough material to meet demands and all that is available is going into truck tires.

## Flower of Nativity

A little Mexican wail on Christmas eve had no gift to take to the cathedral, so not wishing to enter empty-handed, she picked a weed along the roadside and climbed the steep path to the church. She knelt and laid her gifts on the altar, and as she rose to go she saw that the poor little weed was transformed into the Poinsettia or the Flor de la Noche-buena, or Flower of the Nativity, as it is called in Mexico.

## THE OLD JUDGE SAYS...

HENRY: "I've heard that same thing several times lately... that alcoholics are really sick people. It was news to me. Do you agree with that statement, Judge?"

OLD JUDGE: "Yes, it's true, Henry. It's no notion of mine... it's a statement made by scientists who have studied the subject."

HENRY: "What did they find out, Judge?"

OLD JUDGE: "Well, as a result of their medical research, they found out that approximately 95% of the people who drink, drink sensibly. 5% do so unwisely, at times.

Included in that 5% is the small percentage known as alcoholics."

HENRY: "But why are they called sick people?"

OLD JUDGE: "Because it has been discovered that, in many cases, excessive drinking is a symptom of some physical or emotional maladjustment... not the cause of it."

HENRY: "Now I understand it, Judge. I am glad to hear of the modern approach to this problem and that so much is really being done to help these folks."

EXPERIENCED QUALIFIED  
BERNARD J. JURON  
REPUBLICAN CANDIDATE FOR  
PROBATE JUDGE

(Excerpt from Waukegan News-Sun—January 18, 1944.)  
Another race for Lake County office in this year's election began shaping up... with announcements today for Probate Judge by Bernard J. Juron... Juron, also a past president of the county bar, has practiced law 26 years, recently in Waukegan alone, although he formerly practiced in Chicago and for many years maintained offices in both Waukegan and Chicago. He moved almost 26 years ago to Round Lake, where he and Mrs. Juron and their 8-year-old son still live.

While he has had an extensive probate practice, he probably has become best known for his work representing cities and villages as municipal attorney.

He is former city attorney of Highland, Winthrop Harbor village attorney, Round Lake village attorney, Lake Villa village attorney, Fox Lake village attorney and Wauconda fire district attorney.

He attracted wide attention for his work while city attorney of Highland in the city's successful fight to close a tavern within 100 feet of a church.

Juron also served 12 years as a member of the Lake County Republican central committee, and 12 years as Avon Township Justice of the peace. He now is vice president of the new Lake County School Survey Committee, a non-political education post.

He was first president of the Grayslake Lions Club and is retiring president of the Lake County Shrine Club. He also holds memberships in the Waukegan Elks lodge and numerous other civic and fraternal organizations.

## Church Wedding Unites Jean Pahl and Ralph Slivka

The First Congregational Church at Millburn, Ill., was the scene of a very pretty wedding Friday evening, Feb. 15, when Miss Jean Pahl became the bride of Mr. Rudolf Slivka at a candlelight service. The Rev. L. H. Messersmith read the marriage lines in an impressive double ring ceremony. Mr. Frank DeYoung of Millburn sang "Because" and Miss Elaine Reiner of Chicago, sang "The Lord's Prayer." Both were accompanied by Mrs. E. A. Martin of Millburn.

Miss Pahl, the youngest daughter of the late Edward Pahl, was graduated from high school in Cambridge, Nebra., with the class of '41. She spent six months in business college in Denver, Colo. After a year and a half in clerical work in Washington, D. C. and Ottawa, Canada, she entered nurse's training at West Suburban hospital in Oak Park, Ill. She will be graduated from this institution in September.

Mr. Slivka, son of Mr. and Mrs. Samuel Slivka of Racine, Wis., is now in his third year at the University of Wisconsin, his course being interrupted by the war. He entered the army in 1941. After having spent three years in England he was discharged from the Army Air Force in September 1945.

Miss Pahl, in a beige wool suit with brown accessories and a corsage of yellow roses and white carnations, was attended by her sister, Margaret, from Washington, D. C. Margaret was dressed in a burnt amber suit and wore a corsage of white carnations. Mr. Stephen F. French, Jr., a friend of the bride, gave her away.

Mr. Slivka, attired in conventional blue, was attended by Glen Sucharda of Racine, Wis.

Guests at the service included the groom's father and friends from Racine, several cadet nurses from West Suburban hospital, and members of the Millburn Mylo club. A reception was held in the church dining room immediately following the service.

After a brief honeymoon in Chicago, the groom will resume his studies at the University of Wisconsin, and the bride will continue her nurse's training course. They will be at home in Madison, Wis., in September.

The Girl Scouts of the 5-6 grades enjoyed a Valentine party at the Legion Hall on Thursday evening, Feb. 14. On Friday evening the older group including 7 and 8 grades entertained. Each member invited a guest. Games and dancing were enjoyed by all.

Refreshments were served each night. Mrs. A. H. Kaufmann, girl scout leader, was assisted by Mrs. Roman Vos.

"Friends Night," will be observed at the next regular meeting of the Antioch Chapter Order of Eastern Star which will be held on Thursday evening, Feb. 28 at 8 o'clock. Mrs. Pat Kemp, Worthy Matron of Sunshine Chapter, Chicago and Elmer Ryan, Worthy Patron, of Sunshine Chapter, will serve in the East.

Refreshments will be served in the dining room by the February committee.

Dr. and Mrs. Earl Hays were in Chicago on Monday, Feb. 18 to attend the wedding of their niece, Miss Elaine Hatton to Charles Edwards of Chicago. The young couple were married at the Howe Memorial Chapel at Northwestern University campus.

A reception was held at the home of the bride's parents, Mr. and Mrs. Bradley M. Hatton, 2840 Greenleaf, Chicago.

The Wesley Circle of the Antioch Methodist church enjoyed a pot luck dinner at the home of Mrs. Martha Hunter on Wednesday, Feb. 20 at 1 o'clock. Mrs. A. P. Bratrude gave a splendid book review, "George Sand and Her Times," by Frances Winwar. Mrs. A. H. Kaufmann assisted at the piano.

Miss Betty Davis, daughter of Mr. and Mrs. Charles Davis of Grass Lake and Sgt. B. Brown of the U. S. Marine Corp of Plainfield, Ill., will be united in marriage on Wednesday February 27 at 4 o'clock P. M. at St. Ignatius' Episcopal church, Antioch. The wedding dinner for relatives and a few close friends will be served at the Colony House.

Mr. and Mrs. O. E. Hachmeister, Mr. and Mrs. Robert Wilton and sons, Bob and Bill attended the Rebecca Parker club of Lake County on Sunday evening at the home of Mr. and Mrs. William Briddle of Highland Park. A pot luck supper was held at 6 o'clock followed by games of cards.

Fred "Bud" Zeitz, son of Mr. and Mrs. Otto Zeitz of Chicago, and nephew of Mrs. Edmund Vos of this city has returned to the United States after serving his country for the past 15 months in Hawaiian Islands. He is waiting discharge at Rockford, Ill.

Mr. and Mrs. Clete Vos and Roman Vos attended the Lumberman convention at the Schroeder Hotel, Milwaukee, this past week.

## Georgie M. Newyear is Bride of R. L. Birky

In a lovely candlelight ceremony on February 14, at the Millburn Congregational church, Miss Georgie Mae Newyear, daughter of Mr. and Mrs. Rudolph Newyear of Russell, and Ralph L. Birky, son of Mr. Samuel Birky of Zion were united in marriage. The Rev. L. H. Messersmith heard the vows.

The bride, given in marriage by her father, wore a gown fashioned with a white satin bodice and a full marquisette skirt. Her fingertip veil fell from a seed pearl tiara and she carried a bouquet of red roses and white gladioli. The pearls she wore were a gift of the bridegroom.

The maid of honor, Miss Lucille Gonyo, wore a gown of white satin and net with a matching net headpiece. Her flowers were red roses and white carnations. Two bridesmaids, Miss Arlene Noteboom and Miss Marjorie Newyear, wore gowns of white net and white crepe, respectively, with matching white net headpieces. Their flowers were red roses and white carnations. All three attendants wore pearls.

Little Linda Birky, niece of the groom, dressed in a long white satin dress and carrying a tiny mixed colonial bouquet, was the flower girl. Dean Newyear, brother of the bride, carrying the ring on a white satin pillow, was the ringbearer.

Howard Birky served as his brother's best man, while two other brothers, Lloyd and Ray, acted as groomsmen.

Two usherettes, dressed in white formal and evening corsages of red roses, were Miss Dorothy Brown and Miss Pearl Bierle, both of Zion.

The bride's mother wore a dress of blue silk with brown accessories and her corsage was pink roses.

A reception for 200 people was held in the church parlors immediately after the ceremony, after which the bride and groom left for a two weeks' honeymoon in Florida.

Mr. and Mrs. Birky are graduates of Zion-Benton High school and before her marriage, Mrs. Birky was employed at Abbott Laboratories.

Mr. Birky, who received his discharge from the Marine Corps last April, served two years in the Pacific theatre, participating in many campaigns, including Saipan and Tarawa. He is employed at Abbott Laboratories.

After the honeymoon Mr. and Mrs. Birky will be at home with the bride's parents.

Mrs. Jennie Sanborn is very ill at the home of her sister, Mrs. Todd on Spafford St., Antioch.

Thomas Perkins of Indian Point, who has been very ill at his home, is somewhat improved.

## Library News

(By Marion Rigby, Librarian)

"Chicago, Crossroads of American Enterprise," by Dorsha B. Hayes, was presented to the Library as a memorial book for the late Mrs. H. G. Unland. The book is literally a biography of the city which influences our own growth and development by her nearness. Miss Hayes knows and loves Chicago and gives us the drama of Paul Bunyan's village and Carl Sandburg's metropolis.

Anna Louise Strong was the only Western correspondent to enter Poland during the period of the Russian liberation of that country. She shared for months the discomforts and hopes of the Polish people, and learned the true story of General Bor's illtimed uprising and the subsequent destruction of Warsaw. Her book, "I Saw the New Poland," outlines a sharp example of the problems of creating governments out of the chaos left by the Nazis.

"Wings for the Dragon," by Alice Rogers Hager, is a thrilling history of the war fought in the air over China, Burma and India.

To Rev. and Mrs. W. C. Henslee  
February 20, 1946,  
Greeting

On the grassy plains of our great west,

Some fifty years ago,  
A true romance of honest love  
Was shared by these two, you know,  
Though both were young, their choice was wise,

For through the many years  
They've shared the burdens and the joys—  
Together banished fears.

On this, their Golden Wedding day,  
Your pastor and his bride  
Receive your greetings and your gifts  
With just and honest pride.

With many friends both far and near  
We wish them all that's fine—  
Contentment, health, enough of wealth,  
God's blessing, peace sublime!

### Set For Farm-Home Show Fri. At Grayslake

The annual farm-home show, sponsored by Lake County farm advisors in co-operation with the extension service of the University of Illinois, will be held Friday, February 22, at Grayslake school auditorium. The show will begin at 10.00 a. m. and continue until 3 p. m.

The show is described by Ray T. Nickolas as "A sort of mid-winter county fair, with competition for prizes, educational features, trading of ideas among neighbors and fun for everyone" was their description of the day's schedule of events. Competition will be open to all sorts of ideas for improving the beauty or serviceability of the farmstead and home, as well as ideas and devices for labor-saving short-cuts.

Entries may be made in the following classes: time-saving devices used on the farm; time-saving methods used in the home; and ideas for improving the appearance or serviceability of the farmstead or home. Entry blanks and instructions may be obtained from the farm or home adviser or members of the committee.

In addition to the cash prizes to be awarded in each of the five classes, a grand prize will be awarded by the Northern Illinois Public Service Company to the person making the outstanding exhibit of the show as selected by the judges.

A "University on wheels" composed of more than 50 displays and demonstrations dealing with many of the problems faced by farmers and homemakers in the post-war reconversion period will be featured, and a selected group of agricultural extension service representatives from the University of Illinois will carry a running commentary on the exhibits. Adding to the fun of the occasion will be the safety quiz with contestants picked from the crowd by means of roving microphones to answer questions on farm safety.

### Sister of Mrs. V. Peterson Deep Lake, Wed Feb. 18

Miss Hertha Erikson of Chicago, the sister of Mrs. Valdimar Peterson of Deep Lake was wed to John E. Wood of Eldorado, Ill., Monday, February 18th, at a candlelight ceremony officiated by the Rev. Pierson of the Methodist Church, Lake Villa. The best man and bride's maid were the brother-in-law and sister of the bride, Mr. and Mrs. Valdimar Peterson of Johnson's Resort, Deep Lake.

The bride wore royal blue velvet dress and a corsage of snapdragons and carnations and the bride's maid wore a cerise dress with a similar corsage.

A reception was held at Johnson's Resort after the ceremony. A wedding cake was presented by Mrs. Oscar Herbst, Deep Lake, who made the cake. Twenty-five friends of the bride and groom attended the reception.

The couple will make their home in Tomah, Wisconsin.

### Jobless Payments Up 8 Pct. In Jan.

Jobless benefits under the Illinois Unemployment Compensation law were paid to approximately 130,000 workers who received \$9,595,006.50 during January, State Director of Labor Robert L. Gordon reported today. Of the total jobless payments in January, \$5,131,308 was paid to approximately 72,000 workers in Chicago and suburbs.

"It should be noted," Director Gordon explained, "that, while some 130,000 different individuals received benefit payments during January, the highest number of beneficiaries in any one week of the month was only about 101,000. Compared with a weekly average of 92,000 persons and \$6,989,914.50 total benefits paid for the month of December, this represents an increase of 8 per cent in unemployment and of 38.7 per cent in payments.

### Rural Telephone Service Increased 150 Pct. Since '35

During the last ten years, 1935 to 1945, the Illinois Bell Telephone Company has extended its rural telephone service to the point where the number of rural telephones increased 150 percent while the total number of Illinois Bell subscribers increased only 54 percent. In spite of a serious shortage of instruments and equipment existing at the time, telephone service was supplied to nearly 3,000 additional families, in rural areas in the territory in which it operates, during 1945. This increase was approximately 40% higher than that for 1944. One of the Telephone Company's objectives for rural areas in 1946 is an increase of 9,000 telephones which will be the largest rural increase for any year in the Company's history.

**Cooking Game**  
The secret of cooking any wild meat is to conserve moisture. Wild meat is naturally drier and tougher than domestic meat. The general rule is to cook game for a longer time at a lower temperature than other meats. While homemakers do not cook domestic meat in covered pans, this method is often better for wild meat. The covered roaster is best for long, slow, moist cooking.

### Treasury Department Urges Early Filing Of 1945 Income Tax

March 15 Deadline Is Only Four Weeks Away

Joseph D. Nunan, Jr., Commissioner of Internal Revenue, and Nigel D. Campbell, Collector of Internal Revenue, today urged taxpayers to fill out their own income tax returns and to do it early to avoid the last minute rush on March 15.

Collector Campbell said he joined in the advice contained in a letter addressed by Commissioner Nunan to taxpayers, through the Collector's office and the press. The Commissioner's letter follows:

"Dear Fellow-Taxpayer: 'I am impelled to write to you about your 1945 income tax return which is due now and must be filed not later than March 15th.

However, the main subject of my letter is not merely to remind you that you must file, although that is important. As you should know, the law requires a return from everyone who had \$500 or more income last year.

The main thing I want to discuss with you is how to go about filling in your return. I urge you, with the deepest sincerity and good will, to try to fill out your return by yourself. You should have no difficulty if you read the forms and accompanying instructions.

In urging you to fill out your own return as far as possible, I wish to remind you that the tax blanks have been vastly simplified since 1944.

My earnest advice is that you tackle your own tax return as soon as possible and by yourself. In at least 9 cases out of 10, I am sure that you will need no assistance if you follow the simple directions on the form. However, if then you have questions or need advice, the local office of the collector of internal revenue will try its best to furnish you prompt, courteous and efficient service free of charge."

Sincerely yours,  
Joseph D. Nunan, Jr.  
Commissioner

**Submarine Men Die**

**For Killing Seamen**  
BRITISH ARMY HEADQUARTERS, GERMANY.—Capt. Heinz Eck, Lt. August Hoffman, Walter Weisspennig, naval surgeon, and three of the crew of a German submarine were executed recently by a firing squad for the killing of survivors of the British freighter Peleus torpedoed in the South Atlantic in March, 1944.

**Planned to Kill  
Late Jap Ruler****Korean Tells of Vain Plot  
To Murder Taisho.**

TOKYO.—Twenty-two years ago a young Korean mailman quietly planned to assassinate the late Emperor Taisho of Japan by delivering a bomb in the palace mail at the time of the wedding of Taisho's son, now Emperor Hirohito. Betrayed by a friend, he was arrested before the plot could be carried out and sentenced to life imprisonment.

Today, at 44 years of age, Ryoull Pack—known also by the Japanese name of Boku Retsu—made his first public appearance since his long imprisonment. He was acclaimed a hero by Koreans living in Japan.

The shy, bewildered Pack weighed only 85 pounds when released by American soldiers in October. Since then he has been recovering his health. He chose Pearl Harbor anniversary day to call on General MacArthur and express double thanks—for his liberation and Korea's. Several hundred of his banner-carrying followers waited outside the army headquarters building. MacArthur was absent, so Pack left a card for him.

In an interview, the Korean hero told the story of his plotting.

"My plan was to eliminate the emperor, who made possible the imperialism which took over Korea," he said. He worked on three separate schemes during the fall of 1923, hoping to capitalize on his access to the imperial palace as a mailman.

The final plot was to kill Taisho at the time of his son's scheduled wedding late in 1923. He postponed that when the great earthquake brought disorder. Taisho at the time had made Hirohito regent but continued to be emperor in name. Pack said he had been a member of the Korean Revolutionary party and worked with several anti-imperial Japanese.

**Irish 'Little Folk' Help**

**Vet to Find Lost Sister**  
BOSTON.—A British soldier of Irish extraction rang 2,015 doorbells—by his own count—looking for his sister, Mary. Then, he said, he decided to call upon the leprechauns—those knowing little fairies of Irish mythology—to aid him in the search.

Gunner Maurice Kennedy, recently released after 2½ years in a Japanese prison camp, is convinced they did.

He finally received a call from a woman who said she knew a Mary Kennedy. Would he whistle his sister's favorite tune over the telephone? He did. It was "Come Back to Erin." Mary recognized the way he piped it, Maurice said, and they were reunited.

Maurice had not seen Mary for 15 years. She came here intent on becoming an actress, but became a maid instead. He lost track of her after he entered the army.

**Hundreds of Germans****Died for Petty Crimes**

FRANKFURT AM MAIN.—Hundreds of Germany's "little men," civilian and military, were killed by the Nazi guillotine, some for listening to the radio, for killing cows or rabbits, an examination of files at the notorious Preungesheim prison, six miles north of Frankfurt, has revealed.

One German was beheaded for killing 35 rabbits. A butcher was guillotined for a "black killing" when he slaughtered 10 cows without specific permission. Others were executed for desertion from the army or for "treason."

The files contained execution records for Poles, Belgians, French, Dutch and Lithuanians, in addition to 83 German soldier deaths for desertion, 35 for acts "injurious to the nation" and 30 for treason. Another file held the records of 301 Germans executed for petty crimes.

**Japs Burned Prisoner****List of 30,000 Names**

TOKYO.—The Japanese military ordered prisoner-of-war records burned the day Emperor Hirohito commanded the nation to lay down its arms, the recovered personnel section of General MacArthur's headquarters disclosed.

Under Allied prompting, the Japanese have been able to offer only the most vague and incomplete explanations of the action.

Japan's liaison office said the destruction occurred when the Nipponese were "psychologically in a state of utter confusion, if not panic-stricken."

The missing records may concern as many as 30,000 persons, many still not traced, among them more than 1,500 missing American B-29 airmen.

**WILMOT****Union Free High School**

Did you ever see such a sight in your life as Phineas Plug-tugger? Cords fray and fuses blow when Phineas P. comes in the house.

Sooner or later all "plug-tuggers" are woebegone. If you have one in your home it would be well to warn him of the woe that will soon befall. Tell him how much longer the cords and fuses will last if he pulls the plug out by the plug, not the wire—and gently.

And speaking of plugs—do you have enough convenience outlets for all the wonderful new electric appliances you're planning for your home? If you are beset with an "Outlet Octopus"—unsightly "double plugs on double plugs"—it's a good idea to find out about adequate wiring.

**MRS. CARRIE PETERSEN RECOVERING AT ST. THERESE**  
Mrs. Carrie Petersen, former Antioch resident and who has made her home with a daughter, Mrs. Agnes McCarthy of Waukegan, is reported to be recovering from a combination of ailments this week at St. Therese hospital, Waukegan.

Mrs. Petersen has been in the hospital for several weeks, as a result of influenza complicated by a gall-bladder attack. She is the mother of Einar and Nels Petersen of Antioch.

Mrs. Homer LaPlant entertained the Officers Club of the O. E. S. at her home on Tuesday evening, Feb. 19, at 7:30 o'clock.

The evening was spent in sewing. Refreshments were served by the hostess.

## Soybean Popular

Although the American people are about 1,000 years behind the Chinese in use of the soybean, rapid progress has been made in the past few years. In 1944, civilians used about five million bushels, which is five times more than were used in 1941.

## Sartorial Place Names
